

CONSULATE GENERAL OF THE REPUBLIC OF THE PHILIPPINES
القنصلية الفلبينية العامة دبي - DUBAI

**Public Advisory on New Procedures for
Affidavit of Support and Guarantee (ASG) Applications**

Starting 01 December 2021, all applications for the Affidavit of Support and Guarantee (ASG) will be required to undergo pre-screening prior to the grant of a confirmed appointment. This new procedure is aimed at facilitating approval of ASG applications.

ASG appointments starting 01 December 2021 will only be confirmed once the Consulate determines that the qualifications are met and the required documents are complete and in order. Applicants are requested to register their application and upload their documents through the Consulate's portal: <https://dubaipcg.dfa.gov.ph/affidavit-of-support-and-guarantee-online-pre-assessment-system>

The submitted documents will be evaluated within three (3) business days. Qualified applicants will be notified of the confirmed appointment date via email. Should further documentation be required, the applicant will also be notified via email.

Please note that applicants will still be required to present the original documents and submit duplicate copies on the day of their appointment.

The public is enjoined to adhere to the new procedures to avoid inconvenience. Applicants who appear at the consulate without having their documents pre-screened will be requested to submit their application online and wait for the email notification of their confirmed appointment.

Effective immediately, applicants may start registering their application through the portal (<https://dubaipcg.dfa.gov.ph/affidavit-of-support-and-guarantee-online-pre-assessment-system>) for appointments 01 December onwards.

For inquiries and clarifications on ASG applications, please send an email to: asg@pcgdubai.ae .
